

## *Bexhill Wheelers & Classic Cycle Group*

The Bexhill Wheelers was formed in the 1920's and re-established in 2008 combining with The Classic Cycle Group with help from HUB and Sustrans and are a voluntary, not for profit, non-political, community-based group promoting safe cycling in and around Bexhill. The Bexhill Wheelers campaign for improved facilities for cyclists and organise training and rides and participate in festivals. The Bexhill Wheelers has strong links with other local cycle groups and national bodies joining in their activities and campaigns.

The founder members soon discovered there were many common cycling interests and desires to make cycling work better for Bexhill. It was felt that the Bexhill Cycle Network had been left on the shelf too long and needs to be made a reality. Members create the agenda and active participation is encouraged.

Membership benefits include:

- Regular friendly family rides for all ages and abilities.
- Social events and monthly meetings.
- Email updates and two informative and entertaining websites.
- Opportunity to campaign on cycling issues.
- Classic Cycle Group activities in the spirit of the nostalgic heritage of cycling in Bexhill-on-Sea.
- Club Affiliation to CTC, reduced CTC insurance and discounts from cycle shop Wiggle.

During British Summer Time we meet every Tuesday at 6.30pm at The De La Warr Pavilion car park opposite Dunslema Hotel for an evening ride and social gathering. General meetings are held throughout the year at the Mermaid Bar on De La Warr Parade on the last Tuesday of the month. A Classic Cycles Coffee ride takes place on the second Sunday of each month: meet 2.45pm for 3.00pm start from Bexhill Railway Station.
